

Cortez Sanitation District Proposed 2018 Capital Projects

Project	Estimated Budget	Projected Bid Date
<p>Carpenter Area Repair and Replacement Repair, replace and or realign sewer pipe in the Carpenter Road area. Some of the lines will be moved from back yards to the street. Others will be repaired or replaced. Slip lining will be preferable on the repaired lines.</p>	\$2.5 Million	March 2018
<p>Treatment Plant Lot Paving Improvements This project included replacing some of the asphalt with cement, crack sealing and slurry seal, mill and overlay. There are also drainage issues that will need to be addressed.</p>	\$165,000	March, 2018
<p>Alleyway Line Replacement Repairs of sewer lines in Alleys in the downtown area. This project consists of slip lining (or a similar technology) the existing pipe. All point repairs will be done by the District's crew. This work will need to be coordinated with the City's asphalt replacement project.</p>	\$150,000	January 2018
<p>Misc Slip Lining Projects</p>	\$50,000	Various
