- Planned Ad Date: January 11, 2018
- Approximate Budget: \$8 million
- County: Archuleta and Mineral
- Work: This surface treatment project will resurface the roadway from MP 114.5-158.5, and includes a chain up and down station at MP 157.3

SH 145 Dolores Sidewalk Ramps; 19796 ESB-Restricted Project

- Planned Ad Date: November 30, 2017
- Approximate Budget: \$400,000
- County: Montezuma
- Work: Project work includes construction of sidewalk and ADA compliant curb ramps in Dolores at MP 9.6-10.6 on SH 145. Other work includes concrete flatwork for cross-pan curb and gutter, inlet repair, and minor landscaping repair. Signs, light poles, and a fence will be reset.

R5 Guardrail End Treatment Replacement; 22120

- **Planned Ad Date:** To Be Determined
- **Approximate Budget:** \$2 million
- **County:** Region-wide
- **Work:** Replace old standard guardrail end treatments throughout Region 5.

Projects located in Fremont (Region 2) & Saguache Counties

US 50 Passing Lanes East of Salida (Fremont County); 20401

- **Planned Ad Date:** To Be Determined
- **Approximate Budget:** \$5 million
- **County:** Fremont
- **Work:** This project located in Fremont County on US 50 between MP 227.2 and 237.4 consists of the addition of a passing lane in both directions and the addition of slow vehicle pullouts.

US 50 Structure Replacement; 21338

- **Planned Ad Date:** February 15, 2018
- **Approximate Budget:** \$2 million
- **County:** Saguache
- **Work:** This project includes the replacement of a two lane bridge structure with a concrete box culvert.

Traffic/Safety and Maintenance Projects

US 550 Traffic Signal Replacement and ADA Ramp Construction; 20737

- **Planned Ad Date:** November 30, 2017
- **Approximate Budget:** \$3.9 million
- **County:** La Plata
- **Work:** Replace signals, upgrade infrastructure and reconfigure side street approaches. Construct ADA Accessible Pedestrian Signals and sidewalk ramps at 3 intersections in Durango.

US 550 and SH 62 Striping and Rumble Strips; 21743

- **Planned Ad Date:** January 4, 2018
- **Approximate Budget:** \$1 million
- **County:** La Plata, Ouray, San Juan, San Miguel
- **Work:** Rumble strips and restriping on US 550 MP 37.3-44 & 96.0-117.0, and SH 62 MP 9.0-16.0.

US 160 Wolf Creek Pass RSA; 21744

- **Planned Ad Date:** January 18, 2018
- **Approximate Budget:** \$2.2 million
- **County:** Mineral
- **Work:** Signage and striping upgrades on US 160 from MP 160 to 166.5. Includes inlaid restriping, centerline rumble strips, two sign bridges, sign removal, sign panel replacements, and type 7 barrier with embankment, asphalt removal, and shoulder improvements.

US 550 Chain Station & VMS at MP 94; 20894

- **Planned Ad Date:** February 8, 2018
- **Approximate Budget:** \$750,000
- **County:** Ouray
- **Work:** Work includes chipseal, restriping for chain up station, roadway widening for chain down station, install lighting and VMS board.

R5 Region-wide Re-Stripe; 22310

- **Planned Ad Date:** January 4, 2018
- **Approximate Budget:** \$1.3 million
- **County:** Region-wide
- **Work:** Yearly restriping of highways in Region 5

R5 Chain Station Improvements; 22119

- **Planned Ad Date:** May 18, 2018
- **Approximate Budget:** \$1.2 million
- **County:** Region-wide
- **Work:** Providing improvements to chain stations, adding or upgrading lighting, improving striping, and potential widening.

US 550 Riverside Snowshed Tunnel; 20799

- **Planned Ad Date:** March 18, 2018
- **Approximate Budget:** \$750,000
- **County:** Ouray, Red Mountain Pass
- **Work:** This project includes the upgrade of lighting in the Riverside Snowshed Tunnel.

Local Agency Projects

Salida US 50 Sidewalks Phase 4; 20557

- **Local Agency:** City of Salida
- **Planned Ad Date:** Spring of 2018
- **Approximate Budget:** \$500,000
- **Work:** This project involves the construction of concrete sidewalk separated from the back of curb with a colored, textured concrete buffer on both sides of US 50 from Palmer St to the intersection of SH 291 on US 50 in Salida. Some curb and gutter and curb ramps may be replaced. Some accesses may be moved or changed.

Pagosa Springs North 8th Street SRTS; 21504

- **Local Agency:** Town of Pagosa Springs
- **Planned Ad Date:** Spring of 2018
- **Approximate Budget:** \$400,000
- **Work:** This project involves construction of sidewalks and curb and gutter in the north Pagosa Springs residential neighborhood on North 8th St and Florida St.

San Miguel Lawson Hill Park and Ride; 21755

- **Local Agency:** San Miguel County
- **Planned Ad Date:** Spring of 2018
- **Approximate Budget:** \$1.5 million
- **Work:** This is a Senate Bill 228 funded Transit project that will be advertised by San Miguel County. This project involves construction of a paved park-and-ride facility on Lot Hub-2C between Society Drive and SH 145 just west of Telluride.

Archuleta CO Pagosa Junction BRO; 21898

- **Local Agency:** Archuleta County
- **Planned Ad Date:** Spring of 2018
- **Approximate Budget:** \$250,000
- **Work:** This is an Archuleta County project for the rehabilitation of bridge structure AR500-15.8-S151 located on CR 500 (Trujillo Rd) at Pagosa Junction within the Southern Ute Indian Tribe Reservation. The bridge is currently structurally deficient and will be rehabilitated and brought up to current standards with this project.

FY 17 Durango School Signs SRTS; 22063

- **Local Agency:** City of Durango
- **Planned Ad Date:** Summer of 2018
- **Approximate Budget:** \$75,000
- **Work:** Procurement of school signs at various locations around the City of Durango.

Region 5 Local Agency Projects for Design

Archuleta CO Pagosa Junction BRO; 21898

- **Local Agency:** Archuleta County
- **Planned Ad Date:** Fall/Winter 2017
- **Approximate budget for overall project:** \$250,000
- **Work:** This is an Archuleta County project for the rehabilitation of bridge structure AR500-15.8-S151 located on County Road 500 (Trujillo Rd) at Pagosa Junction within the Southern Ute Indian Tribe Reservation. The bridge is currently structurally deficient and will be rehabilitated and brought up to current standards with this project. CDOT Staff Bridge has offered to complete Bridge Rehab Design but a Consulting Engineering Firm will be needed to complete clearances, finalize plans and specs and prepare bid package.

Durango College Dr and E 8th Ave; 22062

- **Local Agency:** City of Durango
- **Planned Ad Date:** Fall/Winter 2018
- **Approximate budget for overall project:** \$1 million
- **Work:** Trolley stop improvements using CDOT FASTER Transit funding and road diet/safety improvements using CDOT HSIP funding on College Dr from E 3rd Ave to E 8th Ave and on E 8th Ave from College Dr to 1st St.

Archuleta County CR 600 Guardrail; 22269

- **Local Agency:** Archuleta County
- **Planned Ad Date:** Fall/Winter 2017
- **Approximate budget for overall project:** \$100,000
- **Work:** Improvements to guardrail on Archuleta CR600 (Piedra Rd). Approximately 6 recently installed guardrail end treatments are too close to the travelled way and need to be flared away from traffic on the approach end. Design appropriate modifications and work through enviro, ROW and utility clearances and prepare bid documents.
